2. Applications for import licences should reach the licensing authority in the prescribed form and manner as early as possible and in any case not later than the 15th May 1953.

SUBJECT.—Import of Tea Chests during January-June 1953.

No. 68-ITC(PN)/53.—In the Policy Red Book for the period January-June 1953, it was stated that the licensing policy for "Tea Chests Parts and Fittings thereof including Tea Chests containing Aluminium but excluding aluminium Tea Chest linings" falling under Serial No 42-A of Part V would be announced later. It has now been decided that no import licences will be granted for this item for the current licensing period.

SUBJECT.—Import of Fountain Pen ink Copying and Coloured Pencils during January-June 1953.

No. 69-ITC(PN)/53.—The attention of the importers is invited in the entries against Serial No. 168(b) of Part IV in Appendix 'A' to the Red Book for January-June 1953. It has now been decided to grant additional licences equal to 1/5th of the face value of the quota licences granted for the articles falling under Serial No. 168(b) of Part IV. This additional licence will be valid for the import of (i) Fountain Pen Ink and (ii) Copying and Coloured Pencils, subject to the following restrictions:—

- (i) Not more than 1/20th of the face value of this additional licence can be utilised for the import of fountain pen ink.
- (ii) Copying and coloured pencils whose c.i.f. value is not less than Rs. 20 per gross only, can be imported against the additional licence.
2. Applications for import licences should reach the licensing authority in the prescribed form and manner together with the exchange control copy of the January-June 1953 licence for 168 (b) Part IV, as early as possible and in any case not later than the 15th May 1953.

SUBJECT.—Import of bottled penicillin during January-June 1953.

No. 70-ITC(PN)/53.—The attention of importers is invited to the concluding portion of para 5 of Appendix "F" to the Policy Book for the period January-June 1953 (page 186) prescribing that import licences for penicillin will not be valid for the following three types of bottled penicillin:—

- (i) Crystalline Penicillin Sodium or Crystalline Penicillin Potassium.
- (ii) Crystalline Penicillin procaine.
- (iii) Procaine Penicillin G. Fortified with Crystalline Penicillin G. (Sodium or Potassium) (Aqueous).

The import policy of penicillin has been reviewed and it has now been decided to licence separately, the import of these varieties also, import licences being issued, for both general and soft currency areas, on the basis of 50 per cent. of half of best year's imports of these three varieties of bottled penicillin from the general and soft currency areas respectively. The licences will be valid for six months from the date of their issue.

2. Appendix 'F' to the Red Book for the period January-June 1953 may be deemed to have been modified accordingly.

3. Applications for import licences should reach the Import Trade Controllers at the ports in the prescribed form and manner as early as possible and in any case not later than the 15th May 1953.

SUBJECT:—Licensing of Zinc Chloride falling under Serial No. 1-A/III of the Import Trade Control Schedule during January-June 1953.
